

GUARANTEED SAT & ACT PROGRAM

The student will be required to complete the following in order to qualify for the guarantee, They must attend all 24 hours of scheduled tutoring. They must complete all assigned homework between sessions and provide that to tutor prior to session. They must have sessions scheduled at least once per week with no gaps between sessions longer than 2 weeks. They must complete a minimum of 3 full timed practice tests as assigned by tutor. For Collegebound and High Achiever Programs and 4 full timed practice tests for Scholarship Program. The tutoring must be completed within 16 weeks from start date.

Should a student complete all the requirements and not achieve the guaranteed composite gain on any one of the practice tests, they will receive additional instruction in blocks of 4 hours until they achieve the guaranteed gain. To continue the additional instruction the student will be required to complete all assigned homework each week and to take an additional complete timed practice test.

Failure of student to complete the requirements will void the guarantee and the company will not be required to provide additional tutoring. The company may, at their option, choose to provide some additional test prep.
